HYBRID EXPERIENCE

3 Core
MODULES

HLA
GLOBAL RECOGNITION

Practical mentorship: Youth facilitators gaining real-world field experience during outdoor group activities.

Program Overview

The TeamBuilder Facilitator Course is a dynamic, 2-day immersive learning experience designed to equip participants with professional facilitation skills, safeguarding expertise, and practical safety/security risk management.

Aimed primarily at youth aged 16 to 28, as well as teachers, parents, and coaches, this program bridges theoretical online learning with real-world application. Developed by global experts under the Humanitarian Leadership Academy (HLA) alongside leading international NGOs and United Nations agencies, participants receive globally respected credentials while gaining hands-on experience.

Course Structure (2-Day Hybrid Model)

Day 1: Theory & Core Values

Classroom & Online

Interactive Workshop: Engaging sessions at TeamBuilder discussing professional facilitator roles, core values, group dynamics, and leadership ethics.

Self-Paced Modules: Theoretical mastery completed through guided digital coursework.

Day 2: Practical Application

Field Experience

Live Field Work: A fun, hands-on day working directly with children at exciting locations such as zoos, sporting events, or cultural festivals. Participants put training into practice under the direct mentorship of seasoned TeamBuilder professionals.

The 3 Core Online Modules

Participants complete three internationally calibrated online learning streams, earning verified digital credentials hosted on HPass alongside formal certificates.

1. Safeguarding Essentials

TB14214

An interactive, scenario-focused course building a robust understanding of safeguarding and child protection within community, development, and humanitarian operations. Focuses on non-negotiables of conduct, identifying risks to vulnerable groups, professional boundaries, and safe reporting protocols.

Field Application: Facilitators applying safety, safeguarding, and group leadership techniques in interactive group sessions.

Why This Matters in South Africa

South Africa has a vibrant and diverse demographic coupled with a critical need for structured industry development, safe recreational environments, and skilled community leadership. The course addresses these challenges directly:

For Youth (Ages 16–28)

- **Career Pathway:** Opens doors to employment in youth development, camps, edutainment, NGOs, sports academies, and recreational tourism.
- **International Credibility:** HLA and HPass credentials instantly elevate resumes above standard local applications.
- **Soft Skills:** Builds vital communication, emotional intelligence, leadership, and crisis management abilities.

For Teachers, Parents & Coaches

- **Upskilling:** Empowers educators with modern tools for group management, psychological safety, and child protection.
- **Enhanced Safety:** Certified risk assessment and safeguarding strategies for extramural tours and outings.
- **Holistic Engagement:** Turn everyday sports and group interactions into positive developmental milestones.
